Matches shall start within fifteen (15) minutes of the stipulated starting time. Any team that is unable to begin a match after this period shall have forfeited the match. When a match starts later than the stipulated time, the referee at their discretion can shorten the match. Two (2) equal halves shall be played at all times.

Teams must field at least seven (7) of its registered players, who are eligible to compete in that league competition, at the start of any match. Failure to do so will result in the offending team forfeiting the match.

In the event of a match being called off or abandoned due to insufficient numbers of players on one team as per Laws of the Game, then the team responsible for the match being called off or abandoned shall be deemed to have forfeited the match.

If a team other than NPL or WSL informs FT or an opposition club they are unable to field a team less than 14 days prior to the schedule match, the match will be a FORFEIT and will not be postponed.

14.4 Penalties for Forfeits

14.4.1 Senior Competition Forfeits

In the event a team forfeits its match, then full points shall be awarded to their opponent and the goals recorded being three (3) goals scored by the team getting the points to nil (0) by the team who has forfeited. Clubs must advise Football Tasmania in writing that they will be forfeiting a match by no later than 12.00 pm on the Friday prior to fixtures.

If a Club fails to provide sufficient notice and advises a forfeit less than 14 days prior to the fixture as set out in 14.3, the following penalties may be imposed on the offending Club: -

In the event of a walk-off by one Club prior to the completion of a match the team will be considered to have forfeited the match and the Club shall be liable to penalties under Rule 14.4 in addition to other penalties and/or sanctions as Football Tasmania sees fit.

14.4.2 Youth Competition forfeits

If a Club fails to provide sufficient notice as set out in 14.3 & 14.4, the following penalties may be imposed on the offending Club:

- I. A monetary fine deemed by Schedule 4- Penalty Matrix.

14.5 How Forfeits Affect Suspensions

When the forfeiting Club has a player suspended in that division, the match forfeited by their Club, will not count as a match served on their suspension.

When a Club receives a forfeit, any player under suspension in that division will have one match deducted from their suspension. If the suspended player is an irregular player, then the determining factor is whether they have played most of their games in this division.

14.6 Withdrawal of Teams

14.6.1 NPL or WSL Teams

In no circumstance will FT allow a NPL or WSL team to withdraw from the competition throughout the season.

14.6.2 Northern or Southern Championship

If a Northern or Southern Championship club has a team withdrawn from either Championship or Championship Reserves during the season, they will be required to remain in the Championship Competition and will be removed from the Championship Reserves competition.

1. If a team is withdrawn before all teams have played each other once, all matches will be recorded as no played game. All goal scorer statistics and referee votes gained in Competition Fixtures played involving the withdrawn team will be removed.
2. If a team is withdrawn after the point of the season at which all teams have played each other an equal number of times the following will apply:
 - a. All results retained.
 - b. Goals scored for and against will be retained.
 - c. Referee votes will be retained.
 - d. a forfeit result of three (3) goals to nil (0) will apply to all remaining games.

14.6.3 Social Leagues

If a Social League team is withdrawn during the season, the club is required to remove their LOWEST division team from the league and filter players up into remaining teams within league.

1. If a team is withdrawn before all teams have played each other once, all matches will be recorded as a no played game. All goal scorer statistics and referee votes gained in Competition Fixtures played involving the withdrawn team will be removed.
2. If a team is withdrawn after the point of the season at which all teams have played each other an equal number of times the following will apply:
 - a. All results retained.
 - b. Goals scored for and against will be retained.
 - c. a forfeit result of three (3) goals to nil (0) will apply to all remaining games.

A club which withdraws a team from any competition will be issued a fine by FT based on Schedule 4-Penalty Matrix. Football Tasmania would consider additional sanctions if a team did withdraw from the NPL or WSL competition throughout the season.

14.7 Postponed Matches/ Weather Conditions

14.7.1 Postponement due to Weather Conditions

In the event of any match not being played due to weather, either because of ground closure by the respective local council or by the home club or a decision taken by the referee under Law 5 of the Laws of the Game, or other cause over which neither Club has any control, on being ordered to be replayed, it shall be at a time and place decided by Football Tasmania. Football Tasmania shall determine a new venue and date as soon as possible. When the home team's ground is closed, it shall, where practical, promptly inform visiting teams and Football Tasmania of the closure.

If the grounds are closed by Friday by the relevant Councils, Football Tasmania shall notify the public via its Facebook page. In the event of all games in the league round being cancelled, they shall be replayed on the first available weekend.

Notifications of ground closures or roster alterations shall be made via the FT Facebook page, as well as notifications through DRIBL. In the case of a postponement caused by wet weather and an alternative date for the game cannot be supplied by either the Clubs or Football Tasmania, the result shall be recorded as a 1-1 result.

In the event of some games being played and others not when Football Tasmania has not cancelled the games and the Councils have not closed the grounds (or the game(s) are at grounds not under the Councils' control), the results for the played matches shall stand and the unplayed games shall be played on the first available date. If not, all rostered games can be played in the playing year (generally because of ground unavailability), Football Tasmania will record any unplayed fixtures as 1-1 results.

14.7.2 Postponement due to Team Unavailability

Where a club believes that a team will not be able to fulfil the commitment to participate in a scheduled match due to extenuating circumstances, they may submit a request in writing for a match to be postponed. Such application shall be provided to the FT Competitions Coordinator via email competitions@footballtasmania.com.au and must be received no later than fourteen (14) days

prior to the scheduled match date. Any requests within fourteen (14) days will be declined, and the games will need to be played at their designated time or alternatively forfeited by the team.

FT, in its discretion, shall rule on the validity of the request and shall either assist the clubs involved to arrange a revised date for the match or require the match to be played at a time determined by FT (which may include the completion of the fixture as originally scheduled).

15. Match Balls

For all matches, the home team is responsible for providing the Match Official with three (3) match balls no later than 30 minutes prior to kick off.

19.1 Suspension of Play

A suspension to the commencement of play, or a suspension of a game once play has begun, may be considered necessary by the Match Officials:

- a) when participant safety is at risk (eg. extreme weather – electrical storms, blizzard, hail, fog, excessive heat – or poor crowd behaviour); or
- b) where other circumstances affect the continuation of a match (eg floodlight failure, delay due to severe injury).

Such decisions shall be made at the Match Referee's discretion, following a period of consultation with the other Match Officials and Team Staff (Coaches, Managers, Captains and Match Managers as deemed appropriate by the Match Referee).

19.2 Abandoned Matches

Should a match be abandoned after 65 minutes of play have elapsed, the Company shall determine whether the score shall stand.

If the match is abandoned on or before the 65th minute of play, the match shall be replayed, unless the abandonment of the match is the consequence of disciplinary or similar action taken by the referee. In such case the Company shall determine whether or not the match shall be replayed.

In such cases the home team Club shall be responsible for the payment of match fees to all referees assigned to the match in any capacity.

20. Intrastate, Interstate and Overseas Matches

At all times during a playing year a Club shall make its players available for such interstate, intrastate or representative matches as may from time to time be conducted, organised or controlled by FT.

20.1 Overseas Matches

If a Member wishes to send a team overseas, such Member shall provide FT with full details of its proposed itinerary together with supporting letters from the governing body proposed to be visited, and upon receipt of such material written permission for the visit shall be sought by FT from FA in accordance with FIFA Rules and Regulations.

FT may in its absolute discretion refuse to give approval for a Member to host a match or competition against any opposition and shall not be required to give any reason for such refusal.

20.3 Intrastate Matches

This rule pertains to any game which is not a match in a FT approved competition.

No Member shall send a team to play intrastate without first obtaining written consent from FT. FT may in its absolute discretion refuse to give its approval for a member to send a team intrastate and shall not be required to give any reason for such refusal.

21. Disciplinary System

For the purposes of this Rule, the term “Company” does not include either the Tribunal or Appeals Board.

21.1 General (all competitive leagues)

Any breach of the FIFA Laws of the Game, Constitution, By Laws or Rules shall be dealt with, where applicable, with the imposition of either:

- a) Caution (yellow card)
- b) Expulsion (red card)
- c) Misconduct charge against a participant in accordance with the provisions of these Rules.

21.2 Caution (Yellow Card Offences)

A caution (yellow card) is a warning from the referee to a player or club official during a match to sanction unsporting behaviour of a less serious nature (Law 12 of the FIFA Laws of the Game).

Minor Infringements - Yellow Card (Caution) Codes

Y1: unsporting behaviour.

Y2: dissent by word or action.

Y3: persistent infringements of the Laws of the Game .

Y4: delaying the restart of play.

Y5: failure to respect the required distance when play is restarted with a corner kick, free kick or throw-in.

Y6: entering, re-entering, or deliberately leaving the field of play without the Referee’s permission.

A player or club official receiving two cautions during the same match will incur an expulsion (indirect red card and, consequently, suspension from the next match).

If a Player receives two Yellow Cards during the same Match and therefore receives an Indirect Red Card, the two Yellow Cards will be expunged from the player’s record.

If a Player receives a Yellow Card and then a Direct Red Card in the same Match, the Yellow Card will not be expunged and will be counted in the Player’s accumulation of Yellow Cards

No mandatory match suspension applies for the accumulation of Yellow Cards in Friendlies.

21.3 Administration of Cautions

FT will regulate and record cautions (yellow cards) as follows:

Players:

- a) When a player has accumulated five (5) cautions during the same season, they will receive a one-match suspension, as determined by FT. FT will also impose a fine based on Schedule 4-

Penalty Matrix.

The Lakoseljac Cup is the preliminary round for the Australia Cup and is subject to Football Tasmania's Australia Cup Supplementary rules. Yellow Cards received in this competition are NOT counted towards accumulated yellow cards outlined in 21.3 which relate to league competitions.

Statewide Cup Games:

Statewide Cup Supplementary rules will be provided to clubs, which will include yellow card accumulation rules. Yellow Cards received in this competition are NOT counted towards accumulated yellow cards outlined in 21.3 which relate to league competitions.

FT will endeavour to notify Clubs whose players/team officials are suspended before the next rostered match. **If FT has not notified the club of the suspension, it is the club's responsibility to ensure the player does not play in the next rostered match.** Club Body Administrators can track accumulation of yellow cards through DRIBL Member Offences.

21.3.1 Serving of Accumulated Cautions Suspension

A player or team official will have served a suspension for accumulated cautions when the team in which the individual was participating has played the equal number of games as the suspension allocated, and the round of matches for that week has been fully completed.

The player or team official may not participate in any other games sanctioned by FT during the period

of their suspension.

A player who receives a suspension for accumulated cautions must serve that suspension in that relevant competition. For the avoidance of doubt, this means if the player receives a suspension in the Championship, then it will be served in Championship and not the Australia Cup (Lakoseljac Cup) competition.

Clubs are responsible for tracking accumulated cautions of their players. Club Body Administrators can track accumulation of yellow cards through DRIBL Member Offences.

21.4 Expulsion (Red Card Offences)

An expulsion is the order given by the referee to someone to leave the field of play and its surroundings, including the substitutes' bench, during a match.

Expulsion takes the form of a red card for both players and coaches. The red card is regarded as direct if it sanctions serious unsporting behaviour as defined by Law 12 of the FIFA Laws of the Game; it is regarded as indirect if it is the result of an accumulation of two yellow cards.

Serious Infringements - Red Card (Expulsion) Codes

R1 serious foul play.

R2 violent conduct.

R3 spitting at an opponent or any other person.

R4 denying the opposing team a goal or an obvious goal scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within his or her own penalty area).

R5 otherwise denying a goal or an obvious goal scoring opportunity to an opponent as prescribed by Law 12 of the Laws of the Game.

R6 using offensive, insulting, or abusive language and/or gestures.

R7 receiving a second caution in the same Match.

A player or club official shall be deemed to have served a suspension in full when the team in which the player or club official was participating when suspended has played the equal amount of games as the player's or club official's suspension allocated, and the round of matches for that week has been fully completed, even if served in a match that is later abandoned and/or cancelled.

The player or coach may not participate in any other games sanctioned by FT during the period of their suspension.

The match referee shall record the player's identification number or obtain the name of the club official from the team sheet and lodge the send-off report and/or misconduct form with the Company.

FT will impose a Club fine for send-off offences in the competition as per Schedule 4.

Players:

- a) Any player sent off the field of play, must serve a suspension of one (1) match in addition to any further fixed penalty suspensions. This applies to all club matches for that weekend.
- b) Any player sent off the field of play on two (2) occasions in the same season, will incur an additional one (1) match suspension. This suspension cannot be appealed and must be served immediately after the automatic game suspension as defined in the Suspensions System (clause 21.8).
- c) Any player sent off the field of play on three (3) or more occasions in the same season will incur an additional two (2) match suspension, on top of the fixed penalty handed down by FT. This suspension cannot be appealed and must be served immediately after the automatic game suspension. The player will be required to appear before the tribunal.

Expulsions (red cards) will be governed by the Suspensions System.

Team Official (Non-Playing Club Official):

In accordance with Law 5 of the Laws of the Game, a Referee may take action against a Team Official who fails to act in a responsible manner and may expel the Team Official from the field of play and its immediate surrounds, including the technical area. This will take the form of a red card.

A non-playing Club Official that has been sent off may not be present inside the perimeter fence or barrier, where one is present, or within 20 meters of the field of play where no perimeter fence or barrier is present, until at least 15 minutes following the end of the Match. This applies to all club matches assigned for that weekend.

The imposition of a one (1) match suspension is immediate. For completeness, FT must issue a Disciplinary Infringement Notice, but for the avoidance of doubt, the one (1) match suspension is effective regardless of whether or not the Disciplinary Infringement Notice is received by the Club of the expelled non-playing Club official before the next match.

A non-playing Club Official who is sent off by a referee in accordance with Misconduct Penalties (MP) may not participate in any Football Tasmania match on the same day either as a Player, coach, ground official, Club referee, Club assistant referee or in any other official capacity for the Club.

In addition, FT shall also impose a fine of \$500 (MP 1/MP 2) on the non-playing Club Official's Club.

A medical Team Official (for example, a doctor or physiotherapist) who commits an Expulsion Offence may remain in the immediate surrounds of the field of play, including on the substitutes' bench, if the team has no other medical person available, and may act if a Player needs medical attention.

In addition to the suspensions prescribed, the non-playing Club Official will be subject to additional penalties in accordance with the Table of Offences as prescribed in Schedule 1- suspensions R8 of the Competition Regulations."

Expulsions (red cards) will be governed by the Suspensions System.

21.5 Mistaken Identity in Decision of Match Official

- a) Where Football Tasmania can be satisfied through clear and verifiable video evidence, that a referee:
- i. Issued in error a Yellow Card and / or Red Card during the Match to a player instead of to another Player (being the Player who should have received the card as the Player who committed the offence attracting the card); or

- e) A Club may submit a request for a decision to be reviewed by the Obvious Error Panel. A Club must submit an appeal via completion of the [Football Tasmania - Obvious Error Appeal Form](#) within 48 hours of the match concluding:

 - ii. In the case of a Team Official, the Team Official is not required to serve the Mandatory Match Suspension.

The \$300 appeal fee will be funded to the club.

- i) If, after referral, the Obvious Error Panel determines that no Obvious Error has been made, Football Tasmania will make a determination that the Match Official's original decision will stand, and Football Tasmania will then determine a Suspension and issue a Suspension Notice to the Participant's Club. The Participant remains entitled to challenge any Suspension Notice pursuant to section 21.11.1 Tribunal request against Suspension, but neither the Red Card nor the Mandatory Match Suspension may be expunged by the Tribunal.
- j) For the avoidance of doubt, there is no right of appeal or other review of any determination made pursuant to this section 21.6.

FT reserves the right to refer any send-off report to the Tribunal for determination, which may result in the penalty being increased above the penalty suspension specified.

A player who receives a red card in a FT fixture shall be subject to the suspensions at Schedule 1.

21.9 Participant Misconduct

After being shown the red card and/or ordered to leave the field of play, Technical Area or surrounds of the ground, if a Participant or non-playing participant refuses to comply or commits an additional offense in particular MP10, 11, 12 or 13 as prescribed in Schedule 2 of Misconduct Suspensions, the sanction will be added to the original send-off sanction for that Participant.

21.10 Substantiating evidence

Should a Club wish to challenge a sanction of participant misconduct based on the statements in a match official's report then the Club must present all relevant evidence to Football Tasmania, who at their discretion may withdraw the additional sanction issued after the send-off, if there is sufficient evidence to warrant this action.

21.11 Match suspensions

A suspension from a match is a ban on taking part in a future match or competition or to attend it in the area immediately surrounding the field of play.

The suspension is imposed in terms of matches/games, days, months, or years.

Suspensions incurred by a Participant shall be served in consecutive fixtures, until such time as those suspensions are completed (and may carry over to the subsequent Playing Year).

Once a Player has served the one match suspension, then the Player will be eligible to play pending the outcome of the Tribunal decision, provided complying notification of an appeal has been lodged.

21.12 Misconduct

FT may initiate an investigation into any matter considered relevant to whether a Participant may have committed an offence.

The investigation may be initiated on the basis of a match official's report, a Club complaint, video evidence that may be available, a report from any other relevant person or on the initiative of the FT administration. An investigation may include written or verbal communication between FT, clubs, participants and any relevant witnesses.

Where there has been a report of a matter which could constitute a serious breach of FIFA Laws of the Game, the Constitution, By Laws, FT Competition Regulations or Rules, FT may appoint an Investigating Officer. An Investigating Officer has the power to call on all people that may be able to give greater clarity to the alleged breach.

Participants shall comply with all reasonable requests made to them by the Investigating Officer or FT for the purposes of an investigation. A failure or refusal to comply with a request, without reasonable excuse, shall constitute misconduct and hence be capable of being heard, upon charge, before the Tribunal.

FT reserves the right to decide whether any alleged breach of the FIFA Laws of the Game, the Constitution, By Laws, Rules or registration and transfer procedures is to be referred to the Tribunal as a Misconduct Charge or dealt with by the Misconduct Penalties and Suspensions System or whether no action is to be taken.

An additional sanction will be imposed on a Club for the misconduct of a team, including when:

- a) Five players and/or team officials are cautioned or sent off in one match; or
- b) Three players and/or team officials are sent off in one match; or
- c) 2 or more players and/or team officials together make threats or show force against a match official; or

21.12.2 Misconduct Penalties & Suspension System

The Company has adopted a Misconduct Penalty & Suspension System that may be applied to allegations of misconduct.

The Misconduct Penalty System sets out penalties for each breach and are detailed in Schedule 2 of these Rules, specifically MP1- 9. The Misconduct Suspension System sets out penalties for each breach and are detailed in Schedule 1 of the Rules.

FT shall investigate alleged breaches detailed in a Misconduct Report, Incident Report and/or any other relevant evidence presented. This may be evidence gathered by the Investigating Officer. The participant alleged to have engaged in misconduct is not contacted by the Investigating Officer at this stage. FT may then issue any one of or a combination of Misconduct Penalty and Misconduct Suspension.

A Misconduct Notice shall clearly specify the alleged conduct upon which the Notice is based. FT reserves the right to refer any misconduct charge to the Tribunal but reserves the right to withdraw any charge on the basis of insufficient evidence.

In the event of a team receiving 5 or more cautions in a game and the official match referee submitting a match report to that effect, FT will issue the offending club with the prescribed fine for the MFP 9.

Should a club wish to challenge the misconduct sanction (s) then it must do so under the process prescribed in section 21.12.3.
